Musical Tea
That a prophet is not without honor save in his own country, proved a fallacy on Wednesday afternoon when Mrs. E. Tutt Burnam and Miss Willie Kennedy were hostesses at a beautiful musical reception at a lovely home in Lexington. Mrs. Burnam, one of the city's favorite daughters just home from a three year's study in voice at the New England Conservatory, Boston. It was not only a gathering of music lovers, but a company of friends who in response to a cordial invitation, had come with a wealth of greeting for the young artist, whose gift is making room for her in her chosen accomplishment. Mrs. Burnam's programme numbers were chosen with rare taste and were given with exquisite interpretation. With the initial Tasti selection she took the attention of hosts and guests, and held it through the close. The portrait song and Roger's "Star" evinced a thorough appreciation of tone color, and "Drink to me Only with Thine Eyes", revealed the artistic temperament. The young singer's handling of the text in French was a matter of much complimentary comment. Miss Burnam is to be congratulated on her success and the happy predictions of her friends will follow her in the further pursuit of vocal attainment. The vocalist was accompanied by Miss Brown Telford, who have few superiors in execution, her touch almost attaining perfection. Receiving with Mrs. Burnam and Miss Kennedy were Mrs. Robert Burnam, Sr., and Miss Telford. At the conclusion of the program a social hour was enjoyed, the hosts being assisted by Miss Florence Burnam, the attractive daughter of the home, Misses Helen Rollins, Isabel and Marie Bennett. A delicious ice course was served. At the tea table in the dining room, were Mrs. E. C. Stockton and Mrs. R. R. Burnam, Jr.

"I ADVISE EVERY SICK WOMAN"

To Try Lydia E. Pinkham's Vegetable Compound.

"I advise every suffering woman to take Lydia E. Pinkham's Vegetable Compound for so much good. I had female weakness, inflammation, pains in my sides and painful periods. I suffered for six years and tried many remedies without benefit. The doctor said I must have an operation. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers, and since taking it I am cured and have a nice baby four months old. I feel like a new woman, and have recommended your medicine to my friends. I would be glad to have everybody know what your medicine did for me, and if any write to me I will answer all letters."

Mrs. MARY CALIGURE, 317 South Main St., Herkimer, N.Y.

Every woman at some period or other in her life may suffer from just such disturbances as Mrs. Caligure, and if there is a reminder that this famous root and herb remedy has been overcoming these ailments of women for more than 40 years.

If any complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years' experience is at your service.
